PROGRAM FOR WORK UNIFORMS AND PROFESSIONAL WEAR

MISSION
To support the operations of The University of Alabama by providing a program for University departments to acquire work uniforms or professional wear in an efficient, cost effective and professional manner while providing excellent customer service.

PURPOSE
A work uniform program sponsored by Financial Affairs Business Activities, while working with Procurement Services, exists to assist University departments in the selection, fitting, ordering, and distribution processes for those employees that require professional wear or work uniforms. Standardized uniforms identify University employees to students, faculty, and staff and validate their presence in all locations. A professional shirt program is also available for employees that require a more professional appearance.

HOW WE OPERATE
The on-going efficient and effective operation of the uniform process depends on collaboration between uniform program managers and designated coordinators in participating departments. Uniform program managers act as liaisons between University departments and the University’s uniform contract vendor in the planning and execution of all phases of the uniform process including problem solving.

CONTACT US
Contact Susan Petty, spetty@fa.ua.edu or 347-0081, or Mike Morrow, mmorrow@fa.ua.edu or 348-5879, to discuss your uniform requirements. We are your contact for questions, scheduling a fitting, or providing a viewing of sample professional or work uniform items.
We look forward to working with you.
